#### BrowXenna® Contour white paste for eyebrows

Version: 1.1 / EN Page1 of 7 Date of revision: 17/08/2022

## SECTION 1: Identification of the product and information about the manufacturer or

supplier

1.1 Product Identifiers

The product's name BrowXenna® Contour white paste for eyebrows

CAS № Dry mixture

1.2 The recommended not recommended uses of the substance or mixture

Fields of application Paste for eyebrows

1.3 Details of the supplier of the safety data sheet

Supplier GOLDEN RATIO TRADING L.L.C.

Address UAE, DUBAI, OUD METHA, 8B STREET, REEM 4

**BUILDING, OFFICE 5** 

Phone faxSALES@GOLDENRATIO-TRADING.COMEmailSALES@GOLDENRATIO-TRADING.COM

#### **SECTION 2: Hazard identification (hazards)**

#### 2.1 Classification of the substance or mixture

The product is a cosmetic product and it is not covered by classification in accordance with Regulation (EC) № 1272/2008.

#### 2.2 Label elements

The product is a cosmetic product and is not covered by Regulation (EC) № 1272/2008 (Section 1, Chapter 1, paragraph 5c).

List of ingredients INCI-nomenclature in accordance with Regulation (EC) №1223 / 2009:

CI 77891, Neopentyl Glycol Diethylhexanoate, Jojoba Esters, Cyclopentasiloxane, Copernicia Cerifera Wax, Nylon-12, Beeswax, Ethylhexyl Palmitate, Silica, Boron Nitride, Stearyl Dimethicone, Tocopheryl Acetate, Sodium Myristoyl Glutamate.

#### Product for professional use

Check the instruction for use and follow it strictly.

The product is not intended for use by persons under 16 years of age. May increase the risk of allergies.

#### Do not use:

- if there is a rash on the face or in the case of sensitive, irritated or damaged skin;
- if the reaction was observed after hair dyeing;
- if there was an allergic reaction in the past.

Avoid contact with eyes. In case of eye contact rinse immediately with water.

#### 2.3 Other hazards

The product does not contain substances and PBT-vPvB-substances.

#### **SECTION 3: Composition (Information on Ingredients)**

#### 3.1 Substances

Notapplicable.

#### 3.2 Mixtures

in accordance with Regulation (EU) No 1907/2006 (REACH)

#### **BrowXenna® Contour white paste for eyebrows**

According to the supplier, the product does not contain any other hazardous substances in an amount which, in accordance with EU or national regulations, must be specified in this section.

	SECTION 4: First aid measures			
4.1 Description of first aid measures				
General recommendations	The product may cause a serious allergic reaction. In case of complaints, seek medical advice.			
After inhalation	In the case of headache or dizziness, bring person to fresh air.			
In contact with skin	In case of irritation, wash the exposed surface with water and after with soap and water, if it is available.			
Eye Contact	Carefully rinse the eyes with water for several minutes. Remove contact lenses if you use them, and if it is easy to do. Continue rinsing. If eye irritation persists, consult a doctor immediately.			
After ingestion	Rinse mouth, do not induce vomiting. Give plenty of drink. If you feel unwell, seek medical attention.			
4.2 Most important symptoms and effects, both acute and delayed				
Symptoms	Irritating in contact with eyes. May cause allergic reaction.			
Effects	Inhalation: headache, dizziness, cough, sore throat.			
	Eye contact: symptoms of irritation: redness, increase in			
	temperature of the skin and thickening of the skin fold, irritation.			
	In case of eye irritation, redness of the conjunctiva, lacrimation.			
	After ingestion: abdominal pain, nausea, vomiting, diarrhea.			
4.3 Indication of immediate medical attention and special treatment				

### 5.1 Extinguishing media

medical attention

**Treatment** 

Special Rules for the

Suitable extinguishing media

CO2, foam, extinguishing powder, water jet spray.

**SECTION 5: Firefighting measures** 

Treat symptomatically.

No.

BrowXenna® Contour white paste for eyebrows

Version: 1.1 / EN Page4 of 7 Date of revision: 17/08/2022

**controls** industrial hygiene and safety regulations.

Individual protection means

product use tight-fitting safety goggles. Wear protective gloves, which provide complete protection, for example. PVC, neoprene or

rubber.

Not required.

Skin protection Not necessary if room is well-ventilated.

Respiratory protection

skin protection

**Controlling** the Does not require any special measures.

environmental impact

General safety and hygiene Do not eat, drink or smoke during work. After use, wash hands and

measures contaminated areas with soap and water.

#### **SECTION 9: Physical and chemical properties**

#### 9.1 Information on basic physical and chemical properties

Appearance Mixture paste

ColorWhiteSmellNatural

pH Data not available.Melting point / freezing Data not available.

point

**Initial boiling point and** Date

**Boiling range** 

Data not available.

Flash-point Data not available.
Evaporation rate Data not available.
Flammability (solid, gas) Data not available.
The upper and lower limits Data not available.

of flammability or explosive

Vapor density Data not available.
Relative density Data not available.

Solubility in water Soluble.

Partition coefficient

Data not available.

(octanol / water)

Auto-ignition temperature D

Data not available.

Data not available.

Decomposition temperature

Data not available

Viscosity
Explosive properties
Oxidizing properties

Data not available. not explosive Data not available.

#### **SECTION 10: Stability and reactivity**

#### 10.1 Reactivity

When used and stored according to instructions no hazardous reactions appear.

#### 10.2 Chemical stability

Stable under the regulations / notes for storage and handling.

#### 10.3 Possibility of hazardous reactions

When proper stored and used no hazardous reactions appear.

#### 10.4 Conditions to avoid

Heat, direct sunlight.

#### 10.5 Incompatible materials

in accordance with Regulation (EU) No 1907/2006 (REACH)

BrowXenna® Contour white paste for eyebrows

Oxidizing agents.

#### 10.6 Hazardous decomposition products

Absent, when appropriate application

#### **SECTION 11: Toxicological information**

#### 11.1 Information on toxicological effects

acute toxicity Product details are not available. Information given is based on

data on the components and the toxicology of similar products.

**Skin corrosion / irritation** Prolonged contact may cause skin irritation.

**Serious eye damage** / Irritating in contact with eyes.

irritation

**Respiratory** or skin May cause allergic reaction.

sensitization

**Germ cell mutagenicity** Data not available.

Carcinogenicity None of the components of the product at concentrations of 0.1%

or more is assigned by Agency IARC as possible or confirmed

human carcinogens.

**Reproductive toxicity** D **Specific toxicity target** D

organ - single exposure

Data not available. Data not available.

Specific target organ toxicity individual target

Data not available.

organs (repeated exposure)

**Aspiration hazard** Data not available.

#### **SECTION 12: Information about the impact on the environment**

#### 12.1 Toxicity

**Toxicity** to aquatic Product details are not available. Information given is based on data on the components and the toxicology of similar products.

#### 12.2 Persistence and degradability

**Assessment** Data not available.

biodegradation and

elimination

#### 12.3 Bioaccumulative potential

**Bioaccumulative potential** Data not available.

12.4 Mobility in soil

Mobility Data not available.

#### 12.5 Results of evaluation of PBT and vPvB

According to Appendix XIV Resolution number 1907/2006 (EC) Registration, Evaluation,

Authorization and Restriction of the use of chemicals (REACH): The product does not contain substances which meet the PBT-Criteria (persistent, bioaccumulative, toxic) or vPvB-Criteria (very persistent / very bioaccumulative). individual classification

#### 12.6 Other adverse effects

Substances not listed in Regulation (EC) 1005/2009 on substances that deplete the ozone layer.

#### **SECTION 13: Disposal of waste (residues)**

#### 13.1 Waste treatment methods

Product Dispose of waste and residues in accordance with local legal

in accordance with Regulation (EU) No 1907/2006 (REACH)

Annex III. List of substances that can not be contained in cosmetic products without complying with the restrictions and conditions -p-

Phenylenediamine EC № 203-404-7 CAS №106-50-3

Commission Regulation (EC) 2017/237 Amendment to Annex III of Regulation (EC) № 1223/2009. List of substances that can not be contained in cosmetic products without complying with the restrictions and conditions - p-AminophenoIEC №204-616-2 CAS

№123-30-8

#### 15.2 Chemical Safety Assessment

Data not available.

#### **SECTION 16: Other information**

#### 16.1 A complete list of H-phrases

H302: Harmful if swallowed

H317: May cause an allergic skin reaction

H319: Causes serious eye irritation

H341: Suspected of causing genetic defects (\*)

#### 16.2 Abbreviationsandacronyms

CAS: Chemical Abstracts Service

EC: EEC

IARC: International Agency for Research on Cancer

vPvB: Very Persistent, Bioaccumulative PBT: Persistent, Bioaccumulative

SCBA: Self Contained Breathing Apparatus

ADR / RID: European Agreement concerning the International Carriage of Dangerous Goods by

Road (ADR) / Treaty on the Transport of Dangerous Goods by Rail

IMDG / IMO: Rules Maritime Dangerous Goods / The International Maritime Organization

ICAO / IATA: International Civil Aviation Organization / International Air Transport Association

ADN: the European Agreement concerning the international carriage of dangerous goods by inland waterways

#### 16.7 Other information

in accordance with Regulation (EU) No 1907/2006 (REACH)
